Starting in Oslo, the capital in Norway where you can spend your free day exploring the city and its attractions. On day three you will board the train to Myrdal, from where one of the most beautiful train ride in the world leaves – Flåmsbana. Starting high up in the mountains the train will descent to Flåm, running through spectacular scenery with mighty mountains and foaming waterfalls. In Flåm you will board a ferry to Balestrand which is located on the other side of the magnificent Nærøyfjord where you will stay in the historical Kviknes hotel, beautifully located beside the Sognefjord.

Board another ferry for a beautiful fjord cruise to Bergen. Bergen is a picturesque town with its colorful wooden houses, harbor and cozy city center. On your free day, you can take a small train up to Mount Fløyen for the best view over Bergen. From Bergen, you’ll take another ferry to Stavanger – the country is known for its many lakes and long coastline after all.

Included in this package is a day excursion to the well-known Pulpit rock consisting transportation to the starting point of the hike by cruise/coach, from where you independently can hike the 6km to the pulp rock (moderate demanding hike). The next day you can rest your legs on the train to Kristiansand, watching the beautiful scenery glide by. Kristiansand is your last stop before returning to Oslo to catch your flight home/onwards.

ARCTIC EXPERIENCE IN TROMSØ

Highlights:
- Aurora Borealis – The Northern Lights
- Northern Lights cruise and whale safari
- Husky safari
- Midnight concert in The Arctic Cathedral
- Snowshoe Hiking and Reindeer Feeding
- The Polar Museum
- The largest city North of the Arctic Circle
- Visit the World’s most Northern Brewery – Mack

During the Winter season, Northern Norway is transformed into a magical winter paradise covered by snow. That’s why it is wonderful to spend a few days experiencing the cozy town of Tromsø also known as the door to the arctic. This vibrant metropole, and the largest city north of the Arctic Circle offers plenty of winter activities.

Tromsø offers good possibilities to see the Northern Lights also known as Aurora Borealis – October, February and March are the best months. Often you will see 3 green bands in the night sky, sometimes with a slight rose on the border and deep violet in the middle. During strong activity, the Northern Light can explore for a couple of minutes and take the form of a corona and in the next minutes it’s all over and you ask yourselves if you just witnessed an arctic illusion. Tromsø is easily accessible by Hurtigruten, by air and train and bus. This is the perfect opportunity to combine and small city break and pick and choose which extra activities you want to experience – there is something for everyone!

For the whole of the north – and for all our neighbouring countries in northern Europe – you really only need one partner. Our team always focus on new ideas and innovation; this is how we work at NORDIC TOURS.

We are pleased to present our new leaflet for tour operators. We have gathered some of our best selling and unique tours throughout Scandinavia and the Baltic countries for both group, FIT and Self Drive tours. Also new is city breaks in the Scandinavian and Baltic Capitals. Individual City breaks are becoming increasingly popular so why not explore one or even several capitals on a combined tour! In Great Britain we have plenty to choose from - like a visit to Romantic Southern England or the Highlands of Scotland. We are also experts in the Baltic area, Holland and Berlin. You can also in connection with cruises, book shore excursions, local guides and transfers.
